**MODIFICATION OF REQUEST  
FOR EXTENSION OF TIME TO  
COMPLY WITH REQUIRE-  
MENTS OF DECISION 64288**

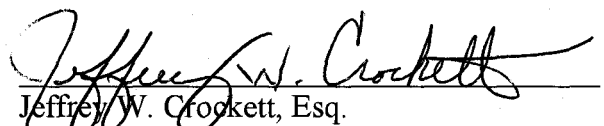

**(EXPEDITED ACTION  
REQUESTED)**

On February 22, 2002, Arizona Utility Supply & Services, LLC ("AZUSS") filed a Request for Extension of Time to Comply with certain Requirements of Decision No. 64288. Specifically, AZUSS sought a 90-day extension of the deadline for complying with certain of the conditions contained in Finding of Fact ("FOF") No. 83. The purpose of this filing is to modify the prior request with regard to one condition contained in FOF 83: the requirement that AZUSS file documentation that the property on which the Ocotillo Links wastewater treatment plant is located has been transferred to AZUSS. With regard to this one condition, AZUSS seeks an extension of two years.

1 In a filing to the Commission's Docket Control on February 22, 2002, AZUSS submitted  
2 a copy of a Bill of Sale dated February 21, 2002, evidencing the transfer of the Ocotillo Links  
3 wastewater treatment system assets from the Ocotillo Links Homeowners' Association (the  
4 "Association") to AZUSS. Pursuant to its agreement with the Association, AZUSS has two years  
5 to relocate the Ocotillo Links wastewater treatment plant from the current location, which is  
6 owned by the Association, to a new location. Thus, within the next two years, AZUSS will  
7 relocate the wastewater treatment plant to property which will be acquired by AZUSS. AZUSS  
8 will provide evidence of its ownership of this new property to the Commission upon acquisition,  
9 which must occur before the Ocotillo Links wastewater treatment system is moved. For this  
10 reason, AZUSS requests a two-year extension of the deadline in FOF 83 for acquiring the  
11 property upon which the Ocotillo Links wastewater treatment system is located. The remainder  
12 of the request for extension as set forth in AZUSS' February 22, 2002, filing stays the same.
